Welcome JELCC Students!

The 2019-20 school year will be starting soon, so we wanted to take this opportunity to welcome you as a member of the J. Everett Light Career Center student body.

We have included several pieces of information in this newsletter. Please share it with your parent/guardian.

JELCC School Calendar

The JELCC school year will start on August 1st, 2019. Your high school may start after this date and we will honor that as your start date. We understand there may be family plans already scheduled around your high school calendar and we do not wish to interfere with them. If students wish to attend JELCC prior to their high school start date, it is the student's responsibility to provide their own transportation. You may contact your high school with inquiries regarding transportation.

Cosmetology teachers will contact students to share class times.

Transportation/Parking

Some of our sending schools provide transportation. Please contact your high school for transportation information.

We issue parking permits for students who plan to drive to JELCC. You can download a parking permit request form on our website (under resources tab/ for students) or pick up a form in the bookstore. Complete form and return it with a parent signature and \$10. The permit is good for two years. Temporary parking permits are also available for a minimal charge. Student parking is located in the lot at the back (south end) of our building.

Attendance

It is important that a parent call our Attendance Office within 48 hours of a student's absence. Even if the parent calls the student's high school, they must also call JELCC. Our specific attendance policy will be outlined in our Student Handbook that will be distributed to students at the beginning of the school year.

Support Services

The Learning Center at JELCC offers supports to students who receive services at their home school. These services may include extended time and read aloud for assessments, a quiet place to work, and/or assistance with course work. The staff in the Learning Center is here to help you be successful! Please feel free to contact Brittany Kirschner, Special Services Coordinator, at bkirschner@msdwt.k12.in.us or (317) 259-5265 with any questions or visit our website for more information.

Building Tour

If you want to tour the JELCC building before classes begin in August, feel free to stop by for a self-guided tour. Our summer hours are Monday-Thursday, 8am-3pm. Maps of the building are available on the front desk or in the Student Services office.
