Welcome JELCC Students!

The 2020-21 school year will be starting soon, so we wanted to take this opportunity to welcome you as a member of the J. Everett Light Career Center student body! We have included several pieces of information in this newsletter. Please share it with your parent or guardian.

Washington Township Schools and JELCC plans to start the 2020-2021 school year as originally scheduled on July 30th unless directed otherwise by Governor Holcomb, Mayor Hogsett, or the Marion County Public Health Department. Washington Township Schools will continue to post updated information related to WT's plan for the opening of school on its website: msdwt.k12.in.us.

Your high school may start after July 30th, and we will honor your school's start date. We understand there may be family plans already scheduled around your high school calendar and we do not wish to interfere with them. If students wish to attend JELCC prior to their high school start date, it is the student's responsibility to provide their own transportation. You may contact your high school with inquiries regarding transportation and start date.

Your 2020-21 class assignment:

Class Times

AM Classes

2 hr. 7:20 - 9:05
or
3 hr. 7:20 - 10:07

PM Classes

2 hr. 11:48 - 1:38
12:50 - 2:35
or
3 hr. 11:48 - 2:35

Mid Day Classes

2 hr. 9:13 - 11:09
or
3 hr. 9:13 - 12:11

Cosmetology teachers will contact students to share class times.

Transportation/Parking

Some of our sending schools provide transportation. Please contact your high school for transportation information.

We issue parking permits for students who plan to drive to JELCC. You can download a parking permit request form on our website (under resources tab/for students) or pick up a form in the bookstore. Complete form and return it with a parent signature and \$10. The permit is good for two years. Temporary parking permits are also available for a minimal charge. Student parking is located in the lot at the back (south end) of our building.

Attendance

It is important that a parent call our Attendance Office within 48 hours of a student's absence. Even if the parent calls the student's high school, they must also call JELCC. Our specific attendance policy will be outlined in our Student Handbook that will be distributed to students at the beginning of the school year.

To report a student absence call:
(317) 259-5265 ext. 44014

J. Everett Light Career Center
1901 E. 86th St.
Indianapolis, IN 46240

First day of
classes at
JELCC:
July 30

Support Services

The Learning Center at JELCC offers supports to students who receive services at their home school. These services may include extended time and read aloud for assessments, a quiet place to work, and/or assistance with course work. The staff in the Learning Center is here to help you be successful! Please feel free to contact Brittany Kirschner, Special Services Coordinator, at bkirschner@msdwt.k12.in.us or (317) 259-5265 with any questions, or visit our website for more information.

Governor's Work Ethic Certificate

JELCC students have the opportunity to earn the Governor's Work Ethic Certificate (GWEC). The employability skills recognized in the GWEC have been vetted by Indiana employers, community based organizations, and both K-12 and post-secondary education institutions and are designed to encourage students to meet the benchmarks that will assist them in their college or career goals.

In addition, GWEC is part of the Graduation Pathways alignment; earning the GWEC satisfies Work-Based Learning Experience requirement.

National Technical Honor Society

JELCC students have the opportunity to join National Technical Honor Society (NTHS). NTHS honors the achievements of leading CTE students, provides scholarships, and cultivates excellence in today's highly competitive, skilled workforce.

JELCC's NTHS program recognizes students who maintain a 3.0 cumulative GPA or higher, demonstrate leadership, participate in service learning, and exemplify honorable character.

Career and Technical Student Organizations

Career and Technical Student Organizations, commonly referred to as CTSOs, are youth organizations designed to support students in Career and Technical Education Programs.

CTSOs are considered an integral part of CTE; they help students develop the technical and leadership skills that will enable them to succeed in their career paths.

These youth organizations are a co-curricular part of the programs at JELCC.
